

This is a permission from
Awesome Tuts that my
students can use the
assets I provide in my
courses that you can find
on this website:

www.awesometuts.com
and [www.udemy.com/
user/fahirmehovic2/](http://www.udemy.com/user/fahirmehovic2/)

They have permission to
use the assets to upload
apps on google play for

educational purposes
since they are learning
game development.

Any concerns you have in
regards to this issue you
can email me at
